ABOUT MASTERACK®

QUALITY AND CUSTOMER SATISFACTION IS OUR COMMITMENT.

Masterack has over 40 years of experience in the design and manufacture of high-quality, commercial grade van and pickup equipment for the nation's largest fleets and auto makers. Additionally, through our partnerships with professional distributor installers across the country, trade customers and local fleets can benefit from the same dependable equipment for their service vehicles.

UPFIT INCENTIVES

Factory upfit assistance is available to use on Masterack products for new commercial vans. Subject to qualification. Check with your local dealer for program details.

*fits on 12" shelves

FOLDING ALUMINUM SHELVING

Aluminum folding shelves are there when you need them, and can be folded out of the way when you don't. Manufactured with aluminum materials, this system can also increase your fuel efficiency due to its reduced weight over comparable steel interiors. **Partitions sold separately (see pages 14-15).**

Aluminum Folding Shelving Standard Package

*Applicable to Ford Transit Medium Roof 130"WB, and
RAM ProMaster 136"WB*

PACKAGE #02G136KP		
Part#	Description	Qty.
02H279KP	Aluminum Shelving Street Side 94"W x 20"D	1

02H281KP	Aluminum Shelving Street Side 94"W x 20"D	1
02H282KP	Aluminum Shelving Curb Side 75"W x 20"D	1

COMPUTER MOUNTING KITS

This system is designed to be modular so parts can be interchanged when switching vehicles. Below are some kits designed for popular vehicles on the market. The mounting kits include:

1. No-Drill Vehicle Base
2. Pole System. Some vehicle bases include a welded lower pole.
3. Motion Attachment
4. Support Brace

ERGORACK™

Award winning aluminum ergonomic ladder rack solution.

- Hydraulic cylinder reduces muscle strain.
- Improves gas mileage by being lighter than similar steel ladder rack solutions.
- Reduce install time and improve resell with no holes to drill.
- Reduce theft; lockable.

SLIDE-DOWN™ LADDER RACK

Easily lowers ladder within arms reach.

- Actuator handle pivots ladder to side of van for safe, efficient operation.
- Partially-assembled racks include assist to help gently lower ladder and reduce wear.
- Zinc-plated and powder-coated for maximum outdoor protection.
- All ladder contact areas protected with vinyl covered stops and anti-skid strips.
- Includes padlock feature for security.
- Adjustable to fit different extension ladders.

LOCKING LADDER RACK

Unequaled for ease-of-use and dependability.

- Easy-to-use clamping action secures ladders in place.
- Easily load and unload from side of vehicle for safe, efficient operation.
- Zinc-plated and powder-coated for maximum outdoor protection.
- With only one moving part, ladder rack is designed to be maintenance-free for a lifetime.
- Many racks install to existing vehicle hardware. No Drilling required. Other racks include roof-mounted bolt-through feet and reinforcement plates; some drilling is required.
- Adjustable to fit multiple step and extension ladders.

FEATURES:

Lockable
for security. Simply lock the handle with a standard padlock to protect the ladder from theft.

Vinyl Coated
clamps resist abrasion. The convenient operating handle securely locks ladders in place.

Extended Front Stop
is fully adjustable to accommodate step and combination ladders. Included in streetside upgrade racks.
